

PROJECT REQUIREMENTS

01 — 3D MODEL

Please provide the available 3D model of the project in one of the following formats:

.pla, .ifc, .rvt, .3ds, .skp, .fbx, .obj, .max

No 3D model? We can work just with drawings.

03 — MATERIALS & FINISHES

Please provide available information about:

- Exterior materials;
- Interior finishes;
- Flooring;
- Walls & ceilings;
- Windows & doors;
- Furniture and fixtures;
- Colors / RAL codes;
- Product references;

If available, please include material samples, product links or reference images.

05 — MARKETING INFORMATION

Please provide available information about:

- Logo
- Fonts
- Brand colors
- Marketing materials

02 — ARCHITECTURAL DRAWINGS

Please provide the latest available drawings, such as:

- Floor plans
- Elevations
- Section cuts
- Master plan
- Roof plan
- Kitchen drawings
- Electrical plans

Preferred formats: **.pdf, .dwg**

04 — CLIENT BRIEF & REFERENCES

Please provide:

- Reference images
- Mood / atmosphere / daytime and season preferences
- Preferred interior design style
- Desired camera angles

The more visual references you provide, the more accurately we can match your expectations :)

06 — FINAL OUTPUT

Please specify:

- Image resolution
- Aspect ratio
- Horizontal / vertical format
- Required file format
- Number of final images
- Print / web / social media usage

DON'T HAVE EVERYTHING? NO PROBLEM!

Send us what you have, and we will review the available information and let you know what is needed to move forward.
